

representative present during such operations. Assignor shall receive copies of all logs and electrical surveys run in any well drilled herein and copies of daily mud log reports on all wells. The results of all tests, including drill stem tests, formation tests and core analyses conducted on any well shall be sent to Assignor promptly. A copy of Assignor's drilling requirement sheet is attached hereto for further information. Assignee shall also furnish Assignor with daily drilling progress reports by telephone between the hours of 8:00 A.M. and 12:00 Noon each morning. All notices and reports shall be furnished to such address or telephone number as Assignor shall hereafter in writing furnish to Assignee.

6. Assignee shall perform all the obligations of Assignor contained in said lease insofar as such obligations relate to the lands covered by this sublease. In the event Assignee conducts any operations of any kind or character including, but not limited to, geophysical, drilling, exploration and producing operations on the land covered by this agreement, Assignee shall pay the owner of the surface for all damages resulting from the negligent or excessive use of the surface of the land, including but not limited to damages to growing crops, buildings improvements, trees and grass, upon the completion of each such operation. In addition, Assignee shall fill and level all slush pits or other excavations of every kind and character so as to return the surface of the land as nearly as is practicable to its original condition within a reasonable time after the completion of each such operation.

7. Upon termination of this sublease agreement, for any cause, as to the interest hereby subleased, Assignee shall within sixty (60) days from the date of termination, re-assign all interest herein subleased to Assignor, subject to the terms hereinafter stated in Sections 8 and 11, with special warranty of title by, through, and under Assignee. It is understood and agreed that such re-assigned interest shall be free and clear of all encumbrances placed thereon by Assignee, its successors and assigns. Notwithstanding anything to the contrary contained in this agreement, if Assignee, its successors and assigns place any encumbrances on the interest herein subleased,
