

in ninety (90) days from the cessation of such production to resume drilling or mining operations in the effort to make said leased premises again produce oil, gas, sulphur or other minerals, in which event this lease shall remain in force so long as such operations are continuously prosecuted, as defined in the preceding paragraph, and if they result in production of oil, gas, sulphur or other minerals, so long thereafter as oil, gas, sulphur or other minerals is produced from the premises.

9. If said lessor owns a less interest in the leased premises than the entire and undivided fee simple estate, or no interest therein, then the royalties, rentals, and other moneys herein provided for shall be paid lessor only in the proportion which lessor's interest, if any, bears to the whole and undivided fee.

10. Lessee shall have the right to use, free of cost, gas, oil and water produced on said land for all operations thereon, except from water wells of lessor. When requested by lessor, lessee shall bury its pipe lines below plow depth. No well shall be drilled nearer than 200 feet to the house or barn now on said premises without the consent of the lessor. Lessee shall pay for damages caused by all operations to growing crops on said land. Lessee shall have the right at any time to remove all machinery and fixtures placed on said premises, including the right to draw and remove casing.

11. It is agreed that the estate of either party hereto may be assigned in whole or in part and as to any mineral. All the covenants, obligations and considerations of the within lease shall extend to and be binding upon the parties hereto, their heirs, executors, administrators, successors, assigns and successive assigns. It is expressly agreed, with reference to every change or division whatsoever, and howsoever arising or effected, in the ownership of said land, royalties or rental or other moneys, or any part of the same, that no such change or division shall operate to increase the obligations or diminish the rights of lessee hereunder. If the ownership of the royalty becomes changed into separate divided portions of said land and the owners of such royalty desire separate gauges for production from such separate tracts, they shall furnish and set separate measuring and receiving tanks and connections therefor at their sole cost and expense. Lessee shall not be required to offset wells on separate tracts or portions of said land or to furnish upon or as to any such tract or portion separate measuring or receiving tanks; and notwithstanding any other actual or constructive knowledge or notice whatsoever, thereof, of or to lessee, no such change or division shall be binding upon the owner of the lease unless and until after thirty days' written notice thereof, from both lessor and lessor's successor or successors in interest, their successors and assigns, in which all such parties in interest concur, and until such transfers or assignments have been properly recorded in the county or parish where the land lies and copies thereof certified by the County Clerk or Recorder, shall have been delivered to the record owner of the lease on the date of recordation of such transfers or assignments, said notice and copies to be delivered to said record owner at his or its principal place of business. In event of assignment of this lease as to any part (whether divided or undivided) of said land, the rentals payable hereunder shall be apportionable as between the several leasehold owners ratably according to the surface area or undivided interest of each and default in rental payment by one shall not affect the rights of other leasehold owners hereunder. If six or more parties become entitled to royalty hereunder, lessee may withhold payment thereof unless and until furnished with a recordable instrument executed by all such parties designating an agent to receive payment for all.

12. Lessee shall have the exclusive right to build, operate and maintain pits, reservoirs, pickup stations and plants for the purpose of picking up and conserving the waste oil that flows down the creeks, ravines and across the land embraced in the lease, whether said oil is produced from land covered by this lease or other lands, and lessor shall be entitled to receive the royalty hereinbefore reserved on all such oil so saved.
