Attention Mr. J. L. Bianchi

Gentlemen:

Pursuant to your letter dated January 8, 1968, attached is an assignment dated January 25, 1968, from Shell Oil Company to Highland Oil Company covering the H. H. Cooper lease dated July 6, 1933, down to 15,000 feet below the surface. The effective date of this assignment is October 1, 1967 at 7:00 a.m.

This Cooper lease has not been set up on our records since 1950 when we purchased the 1/2 mineral interest covered by said lease, and therefore was not included in the November 1, 1967 assignment to W. C. English, Jr. The 1/2 mineral interest was included in that assignment.

If anything further is needed in this regard, please so advise.

Yours very truly,

J. B. Stanley
